Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The reply filed on April 17, 2008 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): the response referenced pages in a document and not to the present specification for support. Additionally, the referenced page and line numbers did not match the text in the cited document. Furthermore, support for some claims was said to be found in original claims not in the text of the specification; this could mean that the language of the present claims lacks antecedent basis from the specification as required; see MPEP 608.01(o). Also see 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Examiner Paul B. Prebilic whose telephone number is (571) 272-4758. He can normally be reached on 6:30-5:00 M-Th.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Isabella can be reached on 571-272-4749. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
